HOG WILD'S STORY

We opened our first restaurant in Tinley Park, Illinois in December 1999. In January 2001 we opened a second restaurant. We had a very successful run in those four years. We won several awards and were even put on the food channel in Illinois as one of "The Best" places to eat.

In 2005 we decided to head out west to a warmer climate and moved to Anthem, Arizona. We waited until our two girls, Alyssa & Morgan, were at a good age and we began looking again to pursue our dreams. That's when we found Cottonwood. Dawn's parents live here and we set up shop in 2006.

Our goal here is to provide you with restaurant quality food at take-out prices, topped with excellent, personal customer service.

All our food is smoked and prepared daily. Always fresh. Quality and quantity. These are our promises to you. And please do call us by name, we are Dawn and Mike West.

Remember, **we are not fast food, we are good food fast.** So please call ahead and place your order so we can have it ready for you. Call 928 639-3232.

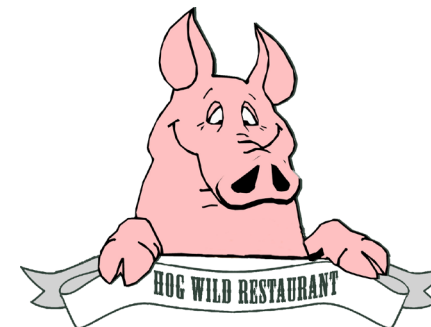

When you love us, tell your friends!
